

# Signing Up for ClearAngel

Welcome to ClearAngel! This step-by-step guide will walk you through everything you need to know about the Clearco sign up process.

**Set up an account:** From [this link](#) , click “Fund Me”, which you can use to get to the sign in page. From here, use your Google account to sign up or sign up by entering your email and a password.

**Connect Your Sales Accounts:** We use a data driven approach to determine your funding offers, so the more accounts you can connect, the more accurate your offers will be! [More information about connecting sales accounts here.](#)

**Complete Application:** Fill out the remainder of the application. This includes, if applicable, your business details, including your incorporation information, your personal details and those of your co-owners, connecting your bank account, among other fields. Your connected bank account is what will be used for your daily payment debits. You will also need to connect a marketing account, and have the option to connect your accounting platform.

**Application Review & Funds Deployed:** After a review by our diligence team, funds will be made available to you via your virtual Clearco VISA card, or through our Vendor Pay system. [Click here](#) for more information about using your funding. You can always access your invoices, transactions, Clearco Card and VendorPay platform on the [Clearco dashboard](#).
