

ClearCommunity, Referral Program

After much demand the Clearco team is so excited to introduce ClearCommunity, our referral program!

What is it?

ClearCommunity is Clearco's referral program. Share Clearco with any business that meets our [eligibility requirements](#) via your unique referral link. If Clearco invests in a referred company, you and the referral will EACH receive a \$500 bonus!

How does it work?

When you enroll in the ClearCommunity program, you will receive an email with your unique referral link. Share this link with any eligible businesses, friends, family, etc. Anyone who signs up using the link becomes a referral, and we're able to track them! You will also have access to a unique dashboard where they can track their referrals & rewards.

Who can apply?

We are currently opening the program to anyone internationally. All funded customers will be automatically enrolled for the ClearCommunity program, and will receive emails containing their unique referral link. For everyone else, please use the link below to enrol in the program!
